Batch 5 drawn, and one question: the staff room, the Charms and Transfiguration classrooms, the Muggle Studies door

The Architect, 14 October 2026, for Godric. Ledger lines 19 to 22 (docs/architect/changes.md), drawn from the castle model, version 23. Red: what changes.

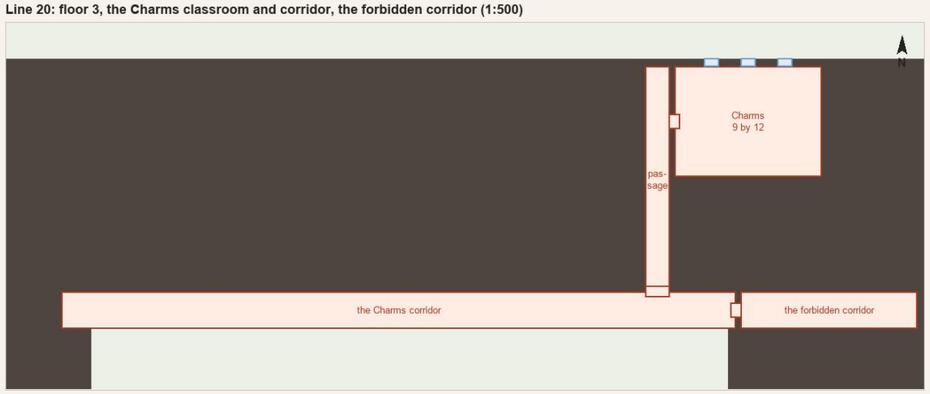

Line 19: floor G, the staff room, its passage, the corridor of classrooms (1:500)

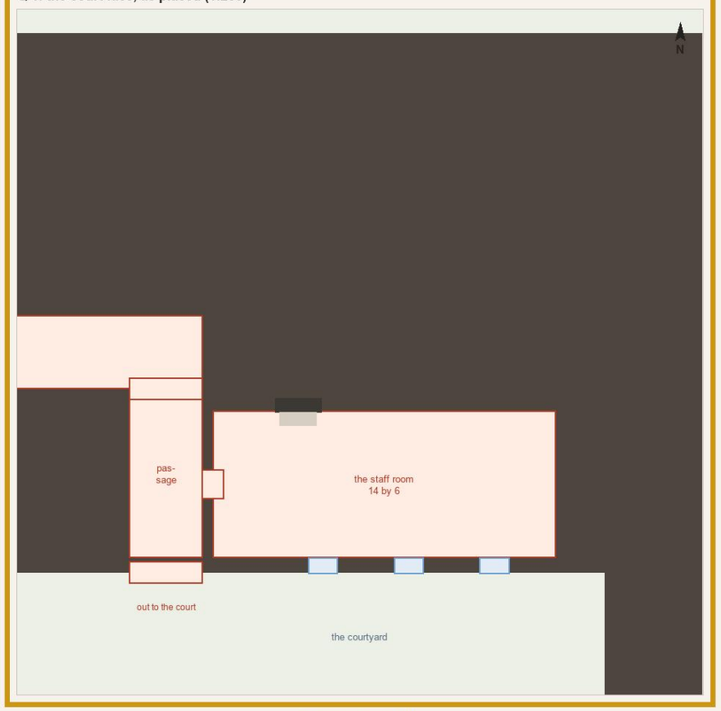

Line 21: floor 1, the Transfiguration classroom (1:500)

Line 20: floor 3, the Charms classroom and corridor, the forbidden corridor (1:500)

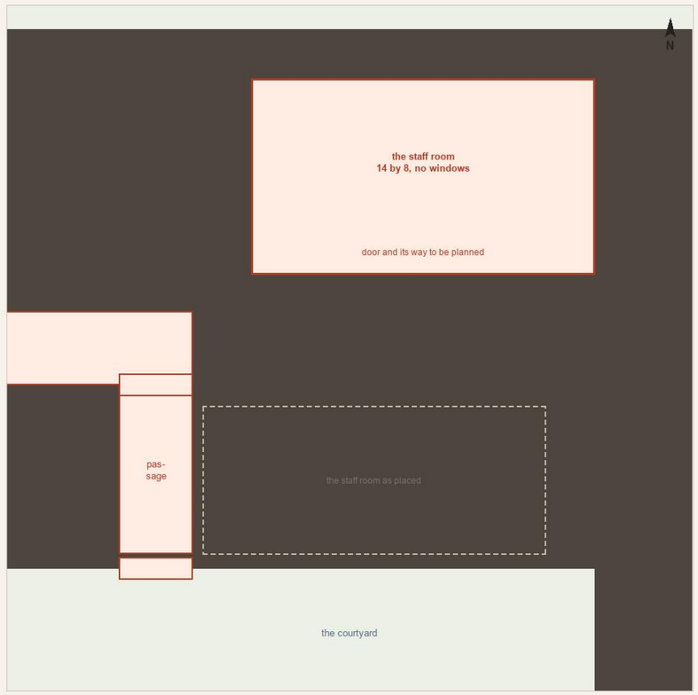

Q 1: the court face, as placed (1:250)

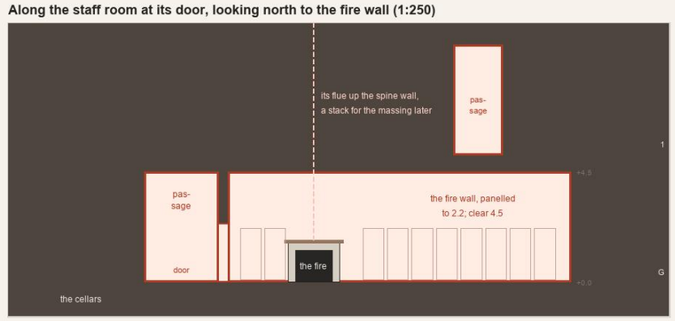

recommended

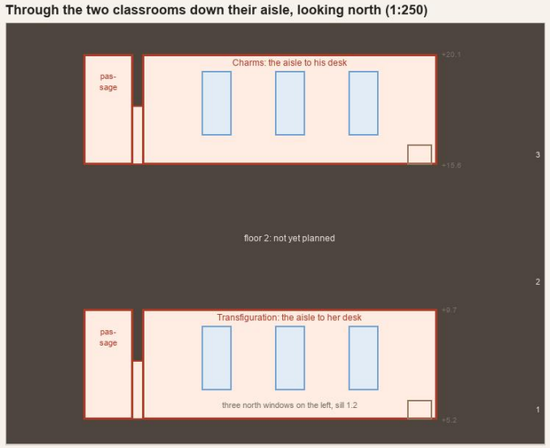

Q 2: the fresh plan's 14, inside (1:250), indicative

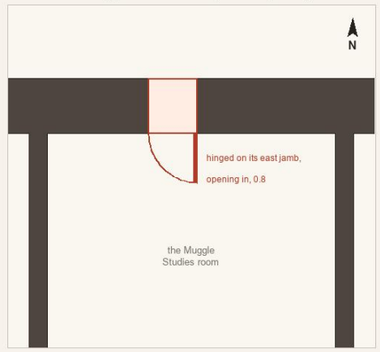

Along the staff room at its door, looking north to the fire wall (1:250)

Through the two classrooms down their aisle, looking north (1:250)

Line 22: the Muggle Studies door, floor 4 (1:100)

Lines 19 to 22, placed in v22 and v23, provisional, Godric to confirm

19, the staff room (req 350): 14 by 6, clear 4.5, panelled, on the court face of the north range; its door centred in the west end wall on a passage from the corridor of classrooms out into the courtyard, a gargoyle either side; the fire in the north wall's near half.

20, the Charms classroom (req 359): 9 by 12 on floor 3, its door at the back off a passage from the Charms corridor, which runs from the stair hall's east gallery to the locked door of the forbidden corridor (PS 9). The gallery's mouth (charms-mouth) is drawn on the stair hall's plans, not here.

21, the Transfiguration classroom (req 367): 8 by 12 on floor 1, under it, its passage long enough for a class's queue.

22, the Muggle Studies door (req 378): opening in, hinged on its east jamb, below right.

Question 1: where the staff room stands

1, recommended: on the court face, as placed in v22. Its passage sweeps out into the courtyard (OotP 17), its three windows look on the court, and its long wall takes the fire and the flue.

2: the fresh plan's 14, at x 130 to 144, y 62 to 70, inside the north range off the corridor of classrooms: no outer wall, so no windows and no court; the passage to the court stays without its room.

0 5 10 15 20 m 1:500
